FOREWORD

WE PRESENT this Yearbook to the Seniors to keep as a remembrance of their high school years—to remind them of some of the most happy, carefree days they will ever have; of the faithful, steadfast friends they have made; of the richness of experience and the deep understanding they have found in teachers. Also, we have tried to give a picture of high school life with its classes, its activities, and the accomplishments of our fellow students.

DEDICATION

In loving memory of JACK AGEN we, the Junior Class of 1942, dedicate this Yearbook in tribute to the willing, faithful and friendly service he contributed to his class and school.

ALMA MATER

Hail to thee, O Sons of Whitesboro,
We have a trust to keep;
The love of Whitesboro High School
And her high ideals to seek.
Loyalty is for the blue,
And the white means honor bright;
So we'll all stand true forever
To the Royal Blue and White.

Through the four long years of high school,
'Midst the scenes we love so well;
We have struggled on and upward
'Till we've reached the goal ideal.
Whitesboro High, we'll ne'er forget you,
You will always loom so bright;
And we'll always stand defender
For the Royal Blue and White.

When we're launched on life's great journey,
And we come to toil and care;
We will think of dear old Whitesboro
And the morals we learned there.
We'll uphold her fine ideals,
And we'll represent the right;
Be right, be square, be true, be fair
To the Royal Blue and White!

CLASS HISTORY

FRESHMAN YEAR

Now that we are back in the city, we are in New York. The four babies we are carrying bind us. We look to the City School System, which is school-wise, the city high and a good tent city. We are determined to succeed. We are not now we set out with visions of the great things we would have.

But the first of the we were to have soon came. It was the great Freshmen induction to the city. After the gay and prank of the upper class. However, we notice with great self-satisfaction how these upperclassmen attended our dances and roller skating parties.

The greatest thrill of all, though, came when we moved from the old Main Street school into the great new Whitesboro Central School. Some freshmen became rather discouraged, for after just having learned how to find their way out the old school, they were suddenly通知 that we were moving to a school where we were closer to the city school. The place was quite different. We were all quite awed with the grandeur of the new school with its enormous atrium for its large eye and beautiful auditorium. The new school inspired us beyond words. We were glad that we have been worthy of the splendid advantages it has given us.

SOPHOMORE YEAR

Who?—Sophomores

When?—1938-39

Where?—Whitesboro Central School

Why?—At first we became Sophomores, the man of superiority over the freshman, are along with us. A period of growing up, it was still, but it's only one year to make school history. Our staff of one caused an idle life without a worry throughout the term. We were yet too young to get started and eagerly awaited our Junior Year to get into the social whirl and do "big things".

WHITESBORO'S '41 CLASS HOLDS REUNION

120 Members of a Decade Ago Hold A Gathering

Ten years ago today, the sixth annual commencement was held in the auditorium of the Whitesboro Central School; 118 students were graduated and all but two were present at this reunion. Those members were *John Time*, who is a foreign correspondent in Europe, and *Donald Fletcher*, who was unable to leave his prosperous sugar plantation in Puerto Rico. A banquet was held after the gathering, where the class president, *John Lubey*, now president of the national broadcasting system and an artist in his own right, welcomed his classmates. Other after-dinner speakers which Toastmaster *John Lubey* introduced were *Jock Hughes*, one of New York's most promising young lawyers, and *Harold Drmkuater*, who conducted an open house debate on the world situation. They say his flare for arguing developed way back in Mr. Hollister's 4th period history class. At night a formal dance was held and *Joe Martell's* dance orchestra furnished the music. His orchestra is currently playing at Hotel Savoy in New

York. Prominent members of his band are *Karl Spettel*, *John Hughes* and *Bob Schug*. The following day, the Class of '41 departed, just as they had done ten years ago after they received their diplomas.

Snyder New Brigadier General

At 11:00 A.M., E.S.T., today, the President of the United States appointed *Harold Snyder*, a former resident of Whitesboro, to the post of Brigadier-General of the United States Army. For 14 years he served Uncle Sam and during that time he has steadily increased in rank.

At the age of 18 he enlisted in the Army and saw 3 years of Signal Corps service, mostly in the Philippines. When his enlistment period expired, he decided that his discontinued high school course should be resumed.

Then in June, 1941, after 2 years of hard work, doubly hard because of his being away from it so long, he succeeded in graduating with his class and earning his prized diploma.

For ten years now, he has been back in the army, working steadily and quickly upward, and now can be said to be the youngest man ever to hold that position.

Senator Christ Disproves Bill

by

GEORGE MILLSON

Heated discussion on the bill proposed by Democratic Senator *William Kauffman* from Montana was carried on today in the Senate. This bill was passed in the House, due to the efforts of Representative *Raymond Zimmer* (D.-Texas). The Speaker of the House, *Frank Kipper*, disproved of the bill. Definite results will come from the Senate floor next week.

Sextette of American Air Pilots Joins R.A.F.

Six recent graduates of New Jersey's Aviation School joined the ranks of England's Royal Air Force. They are *Edward Wheeler*, *Michael Green*, *Bob Vincent*, *Sam Tannery*, *Alex Sadlik*, and *Bob Lynch*, all formerly of Whitesboro.

Marion Darling, the Metropolitan Opera critic, has just returned from a week-end in New York.

CLASS HISTORY

SENIOR YEAR

Who?—The Junior Class

Where?—In Whitesboro Central School; rooms 26, 27 and 28

When?—The year of 1939 and 1940

Why?—As it is pain to see, we Juniors ambled easily and happily through our Freshman and Sophomore years. I, mostly, I suspect, to our self-consciousness and fear of the higher classmen. But we faced our Junior year with a determined look on our faces. We resolved to fit this year to the brim with good times. We started off with a bang, by having a number of roller skating parties. Not satisfied with that, we sponsored several Junior dances in both the old and the new school. Our one big event was the Prom. When we had finished with the decorations for that, it looked as if the Queen Mary had indeed come to our town for the evening. We were mighty proud of the job we did on that. When the excitement of the Prom had settled down, we felt satisfied and went back into our shells, but for one last thing we had to do. Many Juniors will remember that, and not only because of the sunburns and stings. It was the after-prom. We hardly closed the door on our Junior year, content with the six east-West dances we had made into social activities, and turned to face what the Senior year had in store for us.

SENIOR YEAR

We entered W.C.S. for our last year in September and spent a week or two showing off to the entire class, but when our teachers began giving assignments, we began to wish we were still green Freshmen instead of Seniors.

The year was not far along when we elected our officers who were

As we were in the middle of the year and there was not very much in the treasury, we got together immediately to raise some by other means than from our own pockets. A few weeks after we were selected, the Enterprise was only a drop in the bucket compared to our Senior Play. Jim Mori, who crew a full house, showed his慷慨ability and gave us some funds. With our treasury finally established we decided to build on to it, so we held a dance which was only a success socially. One of our greatest money-making schemes was our magazine subscription sale. From house to house we trudged, leaving enough ringing in their bellies to keep the town interested for another year. With the approach of June we are all looking forward to graduation, but we still have a place in our memory for all our memories of our long years at W.C.S.

The Whitesboro Varsity team, coached by Alan Frye and captained by Dick Misaszek, captured the championship of the 1941 Central Oak Leaf League. Although the players were lighter than most of their opponents, they constituted a fast and aggressive team. Because of a tie between Whitesboro and Utica Free Academy for first in the league, a play-off game was played, giving Whitesboro the title by a score of 5 to 3. Captain Misaszek was the scorer of the year with 150 points to his credit. Letters have been earned by Misaszek, Gerald Yerdon, Wifred Emery, George Hill, Arthur Christ, Donald Lathers, Stanley Wilski, and David Waddell.

Here are the scores of the fifteen league games:

HISTORY OF THE MUSIC DEPARTMENT

THE MUSIC DEPARTMENT OF THE MUSIC DEPARTMENT IS THE CONCERT BAND, CONCERT ORCHESTRA, SINGER GROUP, and the director of Mr. William A. Schilder, who is doing outstanding work this year.

A concert was recently given by the Girls' Chorus and Mr. McBride's class weekly on the 10th of October in the High School Auditorium. The Concert Band also gave seven pieces and first place in the First Annual November Concert Band Competition at Adriaen. Their reward was a silver trophy. On February 10th the members of the school orchestra, under the direction of Mr. Schilder, gave a successful Deaf City Concert, directed by Asaf from Italy. The school girls, in preparing the last Deaf City Concert, gave a great deal of time and energy to be the best dressed and the best in their activities for the year. They marched with the Memorial Day parade.

The Concert Orchestra has given programs to several Parent Teachers Association meetings including the November Honor Music Concert at the High School. The group received the highest rating "A" by the judges and was the only one to do so in the State of New York. Syracuse Day too has given the school group a chance to win a "A" and will be sure to play the march "Carnival" which closes in with "Goodby" to Whitesboro High School.

The Singers too participated in the Eastman Competition and the result of the year was the "A" rating of the school. The Chorus Class will however, compete again at the December Parent Teacher Association Concert. The Chorus February 10th will repeat in winning the "A" rating. Several soloists soon will be joining the many members of the class. At the Leon Scott Concert on February 20th this coming year, which is known as the first of the year, the school choir will be singing. A solo was made in May when the members of the Parent Teachers' Association members with a varied program of vocal music.

This story would not be complete without a word of credit to the three organizations under the direction of Mr. Schilder and Mr. Paskevich who are the City workers to the school who can compete in the State of New York, who are very capable. We are especially proud of Mr. Paskevich's "Four Boys" which upon entering the Second Concert Hall this year for the first time, received the excellent rating of one minus.

Every year there is an increasing number of soloists who have brought to Whitesboro top honors from the annual contests. Both new and old city contestants do not do to the assemblies such as the Boys' Quartet, Girls' Sextet under the direction of Mrs. Schindler, in the Girls' School Violin Quartet trained by Mr. Paskevich, all of which rated eligibility to enter the National Contests.

This section of our Article is recognition of every student who has put work into the Music Department. We are grateful and would like to thank the members of this group who owe a debt of gratitude to Mr. Schilder and the members of the Music Department. From us we wish the best so that in the future we may be able to win pleasure and glory part in our school life may be as progressive and self surpassing as they have been in the past.

DEMOCRACY IN ACTION

Another week, another new deal law, another new deal
takes place. Previous week, the Senate has
elected a bill to put in the people a new deal. This week
Reformists pass it, and it is an excellent bill. Next week
the new deal law is to be signed. What is not understood in advance was
the people's protest. At a meeting yesterday, a hundred of them—Reformists
and others—knew about it. They expected
